

MONDO®

At Mondo, we do things differently. Our philosophy is to break free from the confines of tired, restrictive, traditional restaurant offerings to explore an exciting, brand-new form of culinary adventure. As the first borderless intercontinental concept-restobar of its kind in Malta, our focus is on one thing, and one thing only: bringing you the finest food and drinks conceivable, no matter where in the world they come from.

Our gifted head chefs have scoured the globe and sourced the most exceptional ingredients, methods, and dishes that each culture has to offer.

These choice selections are perfected, and sometimes we even shun convention and play with creative new avenues – all whilst maintaining a standard of superiority and respect for the source.

Our passion is to share with you the best of the best, par excellence.

We invite you to join us on this gastronomical voyage with open arms, in a comfortable atmosphere where everyone is welcome. Start your day with a nutritious balanced breakfast, savour an authentic lunchtime Italian coffee, stop by for an expertly-constructed sushi roll, or indulge in a flawless Tomahawk steak dinner. Come for cocktails, come for meetings, come for afternoon tea.

Whatever you choose, you can be sure that our priority is providing you with an experience of the highest quality.

Our dedication to constant innovation extends to all aspects of how we work, and this is reflected in our state-of-the-art facilities located in the ultra-modern Quad Business Towers in Mriehel.

Pay us a visit and join the future of exemplary dining today.
