

At Mondo, we do things differently. Our philosophy is to break free from the confines of tired, restrictive, traditional restaurant offerings to explore an exciting, brand-new form of culinary adventure. As the first borderless intercontinental concept-restobar of its kind in Malta, our focus is on one thing, and one thing only: bringing you the finest food and drinks conceivable, no matter where in the world they come from.

Please always inform your server of any allergies before placing your order as not all ingredients can be listed and we cannot guarantee the total absence of allergens in our dishes.

CORAVIN®

**TASTE OUR FINEST WINES
WITHOUT PULLING THE CORK**

The Coravin™ Wine Preservation System allows us to pour coveted high-end wines by the glass by keeping the cork in the bottle, without interrupting the natural ageing process.

Wine flows out and its innovative design keeps wine safe from any oxidation, giving us the freedom to pour several pours from any bottle, at any time.

At Mondo, you can enjoy our finest wines by the glass at accessible prices, the last glass from the bottle will taste as amazing as the first.

Find our carefully selected wines served by the glass.
